

# A GOLDEN PLEDGE

FOR THE SELECT FEW ATTENDING OUR ADVANCED TACTICAL PROGRAM

I will come prepared the first week of June.  
With my ball and shin guards, but not my old cradle.  
I will try to be present for all 12 sessions.  
If not but to make a real good impression.  
I will arrive 15 minutes in advance.  
To make sure that my muscles are ready to dance.  
I will make sure that I listen to my coaches.  
So I know what to do when a forward approaches.  
I will be sharp, I will be resilient.  
And after this program, I'll be more than brilliant.
